CJPHI was established on April 22, 1986 in New York City. The company was founded based on four decades of plumbing, heating, and sprinkler experience in both residential and commercial applications. CJPHI provides the highest quality plumbing services throughout the New York City Metropolitan Area using plumbing technicians who are highly trained experts committed to delivering the highest level of service possible. We are dedicated to our customers offering not only quality craftsmanship, but excellence in customer service, integrity, professionalism, efficiency, commitment, and competitive prices while promising to stay consistent. The difference between us and our competitors is the fact that we foster community and reliability, placing our customer satisfaction as our number one priority.
