The Pride of Performance that works for you

August 25, 2011

To Whom It May Concern:

I would like to submit a reference for the DASNY Bond Education Program and David Cayemitte. I was a participant in the initial class and this program has helped my firm tremendously. The QuickBooks training that was offered and subsequent assistance has been invaluable to my firm, especially with union payroll and benefits. Having been taught how to enter the information in QuickBooks by an experienced trainer has made my accounting responsibilities easier to manage.

In addition, David Cayemitte has personally worked with me on a number of issues, including a DASNY project in Binghamton, where I was hired as a sub-contractor. Their additional support, even after the program officially ended, has been beneficial.

Very truly yours,

Mr. Joseph Herbert
